Our aim is to build an artificial hockey turf that will help bring the club spirit back to Brisbane hockey. This turf will allow our children to enjoy the same lifestyle and family benefits, that many hockey families enjoyed through the 1970's, 80's and 1990's. In a time of economic hardship a small outlay from all of us will help create an environment that will deliver years of effortless fun and values that will last a lifetime' Hockey turf committee
